

MEN IN THE MAKING

Verse 1

C F
Son I am so thankful you've been entrusted to my care
F G
Though I have tell you, some days I feel so scared, you see
C F
Your daddy is a broken man, whose fathers were broken, too
F G
Generations of sin and pain, have now come through me to you

Pre-chorus 1

F G Am G F
Yet a light shines in the darkness, Jesus is His name
F G Am G F
He has not left us as orphans, His voice will guide the way
F G Am G F
In His footsteps we must follow, His example imitate
F G Am G F
But son I have to warn you, they lead through a narrow gate

Chorus

C F
Boys are men in the making, men are boys having been made
Am G
Son my heart is aching, for you to be strong in the faith
C F
Well I'm telling you now it's a narrow road, that Jesus calls us to
Am G C
Just know that I'll be walking it with you

MEN IN THE MAKING

Verse 2

C F
Son you've got a lifetime of choices ahead of you
F G
And you have to make them in a world that hates the truth
C F
Will you lay your life down? Will you love your enemies?
F G
Will you forgive your brother? Will you turn the other cheek?

Pre-Chorus 2

F G Am G F
I can't make the choices for you, but I will be there on my knees
F G Am G F
Asking the God who lives within you, to be your strength when you are weak
F G Am G F
He is able to save you fully, because He lives to intercede
F G Am G F
So the work that He's begun in you, I will trust Him to complete

Chorus Repeat

Bridge

F G Am G F
And when I start to wonder, if I myself will make it through
F G Am G F
I can hear our Savior singing, the same song I've sung to you

Final Chorus

C F
Boys are men in the making, men are boys having been made
Am G
Son you know I'm praying, for you to be strong in the faith
C F
Well you know by now it's a narrow road, that I have called you to
Am G C
Just know that I'm still walking it with you
