

MAKE HIM KNOWN

Verse 1

C/D G
Hard-pressed and squeezed so tight, but Your grace is always there
C/D Em7 Dsus
As Your Spirit broods in these jars of clay, we're struck down, perplexed but not in despair
C/D G
So as You mold our lives on that potter's wheel, give us strength to run this race
C/D Em7 Dsus
As You buffet and prune the inmost parts, let us see our inheritance in Jesus' face

Pre-Chorus

Em7 C/D G Dsus
We need a breath of wisdom, we need a wind of revelation
Em7 C/D G Dsus
From those lamps, before Your throne, from Your Spirit who has marked us as Your own

Chorus

G Em7
Take the things on Jesus' heart, Holy Spirit make them known to us
Dsus C/D
We want to know this One who purchased us from death
G Em7
Fill us with Your light, fill us with Your truth
Dsus C/D
Complete what is lacking in our hearts
G Em7 Dsus C/D
Make Him known, Make Him known, Make Jesus known, Make Him known

Verse 2

C/D G
Tested and tried like precious silver, in the fire of Your gaze
C/D Em7 Dsus
Your Spirit jealous for an undivided heart, that's rooted and grounded in Your holy ways
C/D G
So as You call us to drink of Jesus' sufferings, as You conform us to His death
C/D
Open the eyes of our heart to know our blessed hope
Em7 Dsus
In Jesus let us see our coming Sabbath rest

Pre-Chorus Repeat
