

# SET MY HEART ABLAZE

---

(Capo -First Fret)

**Intro:** C Em G D

## Verse 1

Em C G Dsus  
I remember the devotion of my youth  
Em C G Dsus  
How you awakened me with the fire of Your truth  
C Em G Dsus  
But many years through this wilderness now my fire's begun to wane  
C G Em Dsus  
So I will cast myself on the consuming fire whose love will never fade

## Chorus

C Em G Dsus  
For Yours is a love that lasts forever and Yours is a love that does not end  
C Em G Dsus  
And Yours is a fire that keeps on burning, and Yours is a flame that can't be quenched

## Verse 2

Em C G Dsus  
I believe that the days are coming soon  
Em C G Dsus  
When You will search the earth for a heart that burns for You  
C Em G Dsus  
When those times of testing come as the nations plot and rage  
C G Em Dsus  
Still I will cast myself on the consuming fire whose love will yet sustain

## Chorus Repeat
