

YAHWEH EXALTED

Verse 1

Dm F C Am
Groaning under the yoke of a wicked king, to You Jacob appealed
Dm F
Then You remembered Your covenant with the fathers
C Am
Your compassion aroused, You stirred up Your zeal!
Dm F C Am
You raised up Moses, a deliverer, You sent him back into that land
Dm F
Then You rescued Your people from that smelting furnace
C Am
With a mighty arm, and an outstretched hand!

Dm C Am Dm
Yahweh, exalted above the powers, they looked to You, Your faithful love proved true
Dm C Am Dm
Yahweh, You led them through the Sea on dry land, the idols judged, smitten by Your hand

Verse 2

Dm F C Am
Now we turn eyes from the former things, toward the new things you will do
Dm F
Oppressed and trodden down by the little horn
C Am
Day and night, night and day, we'll cry out to You!
Dm F C Am
Then after times, a time, and a half-a-time, once our refinement is complete
Dm F
You'll descend with zeal for Your name and glory,
C Am
To crush the Devil and his puppet under Your feet!

Chorus 2

Dm C Am Dm
Jesus, exalted above the powers, we look to You, we know Your Word is true
Dm C Am Dm
Jesus as we approach the final hour, let our love be true, eyes for only You
