

YOU KEEP OUR LAMPS BURNING

Intro C G Em D

Verse 1

C G Em D
When we're feeling like a bruised reed, when our wicks begin to smolder
C G Em D
Lord we know that You won't snuff me out, You bear our names upon Your shoulders
C G Em D
So come into the tabernacle of our hearts, and do Your priestly work inside
C G Em D
Trim the lamps, light the flame, pour the oil of Your name, cause Your Word to come alive!

Chorus

C G Em D
You, O Lord, You keep our lamps burning, O God You turn our darkness into light
C G Em D
Lord, You guard our steps, Lord You light our way, You take us by the hand, You lead us through the night

Verse 2

C G Em D
When this wicked age is wearing us down, when the devil shoots his arrows,
C G Em D
Lord we know Your Word will light our path, You'll keep us on the straight and narrow
C G Em D
So come into the courtyard of our hearts, on Your altar place our lives,
C G Em D
Through the toil, through the sweat, through the tears, no regrets, make us a living sacrifice!
