

RIGHT BY MY SIDE

Verse 1

G#m E B F#
Scum of the earth, the refuse of the world, at the end of the procession
G#m E B F#
Despised by men, yet loved by our God, as His very own possession
E F# B F# E
Fools for the Christ, by men rejected and disowned
E F# G#m F# E
Yet when the lions' mouths are open, I am not alone

Chorus

G#m E B F#
You are here, right by my side, right by my side, right by my side
G#m E B F#
Ever near, living Your life on the inside, You are living Your life
G#m E B F#
This is Christ in me, the hope of glory, yeah

Verse 2

G#m E B F#
Weak, poor, and tired, many sleepless nights, in the service of Messiah
G#m E B F#
Struck down by men, yet held up by our God, through the pain and through the fire
E F# B F# E
Fools for the Christ, the New Jerusalem our home
E F# G#m F# E
Yet each step of this pilgrim's journey, I am not alone

Chorus Repeat

Bridge

E B F#
Our life is now hidden with Christ in God, with Your Spirit we've been sealed
E B F#
And when Christ our life appears, we, too, in glory will be revealed
E B F#
Though outwardly we waste away, on the inside we're made new
E B F#
What You said before You went away, each day is proving true (Mt. 28:20)
