

WE'RE GONNA SHINE

Verse 1

Em7 C/D G Dsus
The cares of this evil age, creeping in on every side
Em7 C/D G Dsus
Trying to pull us away from our first love, working hard to keep us blind
Em7 C/D G Dsus
But though our knees are feeble and our hands are weak, in the cross we will abide
Em7 C/D G Dsus
Cause we've found the treasure hidden in the field, and the pearl of greatest prize

Pre-Chorus (2x)

C/D G Em7 Dsus
We're gonna take those thorns that choke us out, we're gonna cast them all away
C/D G Em7 Dsus
We're gonna leave the worries, gonna leave the doubts as we press on toward Your Day (2x)

Chorus (4x)

G Dsus Em7 C/D
We're gonna shine in the resurrection, it's gonna be worth it all

Verse 2

Em7 C/D G Dsus
The trials of this age of death, pressing in on every side
Em7 C/D G Dsus
Sifting our hearts like the wheat, we are tested, we are tried
Em7 C/D G Dsus
But as the scorching sun beats down on us, in Your shadow we will hide
Em7 C/D G Dsus
Cause a weight of glory is awaiting us, when You come down from the sky

Pre-Chorus (2x)

C/D G Em7 Dsus
We're gonna leave that hard and shallow ground, we're gonna let our roots go deep
C/D G Em7 Dsus
We're gonna build our lives on the solid rock, cause it's Your Kingdom that we seek

Chorus Repeat
