

WORTH IT ALL

Verse 1

G# Ebsus Fm7 C#
No king is saved, by the size of his army
G# Ebsus Fm7 C#
No warrior escapes by his own strength
G# Ebsus Fm7 C#
A horse trained for battle may be strong, but he cannot save

The rich with all his gold and silver still can't buy himself out of the grave

Chorus

G#
But your blood has power to save
C#
There's hope in the truth of your name
Fm7 Ebsus C#
With groanings, we eagerly wait for Your coming
G# C#
Our flesh will be renewed, on the Day when we welcome You
Fm7 Ebsus
Our redemption complete, we will fall at Your feet
C#
And say it was worth it all

Verse 2

G# Ebsus Fm7 C#
The night is almost over, the day is almost here
G# Ebsus Fm7 C#
The hour of our Master's coming, with every breath ever drawing near
G# Ebsus Fm7 C#
So we watch for You Messiah, by your grace we won't give up
G# Ebsus Fm7 C#
Yoked to You, we'll take up our cross, by Your Spirit's power we'll drink Your cup
