

To You I Call

Intro: D Em C G

Verse 1

Dsus Em7 C/D G
Master how many times, have I turned back to Egypt in my heart
Dsus Em7 C/D G
Rebelling in the wilderness, like a beast, and forgetting just how true You are
Dsus Em7 C/D G
But I repent, Lord, I weep, wail, and mourn, I renounce the idols in my life
Dsus Em7
Now let me drink the streams of mercy again,
C/D Dsus
that flowed down on that day when You struck the Rock of Christ

Chorus

G Dsus Em7 C/D
To You I call O Lord my Rock, do not turn a deaf ear to me
G Dsus Em7 C/D
Hear my cry for mercy as I lift my hands to You
G Dsus Em7 C/D
The chief of sinners is my name, but You've opened up a way
G Dsus Em7 C/D
A broken contrite heart, my God You won't refuse

Verse 2

Dsus Em7 C/D G
Master how many times, have I cursed my brother in my heart
Dsus Em7 C/D G
Walking in the path of Cain, like a beast, and forgetting how just a Judge You are
Dsus Em7 C/D G
But I forsake, O God, I hate my wicked ways, I renounce the falsehood in my life
Dsus Em7
Now let me drink the streams of mercy again,
C/D Dsus
that flowed down on that day when You struck the Rock of Christ
